

LIONBRIDGE GAMING BY THE NUMBERS

Our global community of gamers is available at all hours of day to support all your gaming needs, from narrative adaption to quality assurance testing to multilingual voiceovers. With secure crowd-in-the-cloud virtual testing options and lab sites around the world, we provide boutique-level service to publishers from the smallest start-up to the AAA giants.

Here's what we can accomplish in just a year.

MORE THAN 250 GAMES QUALITY ASSURANCE (QA) PROJECTS, INCLUDING:

1.7 MILLION
HOURS OF FUNCTIONAL QA

315,000 HOURS
OF LOCALIZATION QA
ACROSS 17 PLATFORMS
AND 37 LANGUAGES

MORE THAN 100 LOCALIZATION AND AUDIO PROJECTS COMPRISED OF:

113.8 MILLION
WORDS TRANSLATED
IN 68 LANGUAGES

569 CHARACTERS
VOICED IN 600,000
LINES OF DIALOGUE

YEAR AFTER YEAR, OUR PROJECTS AND TEAMS CONTINUE TO GROW, JUST LIKE YOURS.

IN 2020, WE ADDED TWO NEW QA LABS, ONE IN MONTREAL, CANADA AND ANOTHER IN JINAN, CHINA.

Our solution development team can tailor services to offer exactly what you need, where you need it, scaling up and down as necessary. Partner with us to see how we can simplify and expand your global reach.
